EO SIG Ad Hoc

1330 - 1340   Intros & statements of interest round table

1340 - 1350   Work Item brainstorm

> Work item: create a web site with links to vendor pages that point to components, technical info, feedback to and from vendors. Categorized into services

> Work item: develop demos that illustrate how OGC specs can be used by the EO community

> ? Overlap between EO and Nat. Resources?

> Work item: white paper about scope. Need good definition.

1350 - 1400   Decision point: continue or stop?

Charter/Mission

Plan for next 2 months

Email discussion:, white paper: work item list, charter/mission

32 attendees; 20 signed up for mailing list
